

Squadron Leadership School (SLS)
Corporate Learning Course (CLC)

28-29 AUG 2010
1920 Graber St.
March ARB, CA

For those who need SLS, or CLC for Level II, III, Group 3 is planning to provide these classes during our professional development weekend at March ARB, CA. The SLS and CLC courses are part of the requirements for advancement to Captain, and Major. These are interesting and enjoyable courses that explain in detail the Squadron and CAP corporate duties to enable interested CAP members to advance to where you can make a difference to the Civil Air Patrol, California Wing, and to your CAP career.

The cost for each course is \$30.00 to help offset the expense of materials, refreshments/coffee in the AM and lunch for both days. Billeting will be available for Friday and Saturday depending on your arrival time. Reservations for billeting will be made directly with March Inn. Plan on approximately \$40.00 per night in addition to your \$30.00 registration. Please indicate on the form below if you will be billeting with us. You will need to make your own reservations by calling the March Inn at 951-655-5241 or online at http://dodlodging.net/vt_march.htm

CAP ID is required for the event and will be checked at the main gate and again at "CHECK IN" both days. Transportation for aircraft landing at Riverside will be available only with advance notice and Permission to land at March ARB is currently unavailable.

Each class is limited to 40 for SLS and 25 for CLC and registrants will be accepted on a "First received" basis. Course payment is required with your CAPF 17 application and registration. It is highly recommended you submit a registration and application as soon as possible to assure your place in a class. Registrations will only be accepted until the classes are full and not after 19 Aug 2010. Registration refunds will be made for cancellations if the request is received by the finance officer before 14 AUG 2010. If cancellations are not made prior to 19 AUG 2010, registrations being held will be contacted and offered the vacated seats.

A graduation ceremony will be held on Sunday at the conclusion of the courses (approx. 4pm). If you wish to have someone at the ceremony please include full name of the person for entry.
